Don't miss out on your chance to hear the **Autodesk Instructor of the Year Daron Moore** take you through some time-saving tips and tricks for AutoCAD 2011. Then stick around for 9 workflow sessions designed to help you get the most out of your design technology. New sessions include the AutoCAD / Revit Workflow, BIM for Contractors and an updated session on Calculating LEED Credits with Revit. You'll walk away with a deeper understanding of Autodesk products and how you can apply what you learn for immediate gains in efficiency.

This free event includes breakfast and lunch, and you will receive 5 AIA CEU for attending.

Don't miss out on your chance to see all that Autodesk software can do for your designs. All in one day and all at no cost.
