Footnotes: 1. Viewable area measured diagonally. 2. Requires 802.11a, 802.11b or 802.11g compatible access point. Some functionality may require Internet services, which may require a fee. 3. Use of this Bluetooth enabled product with other devices may vary as not all Bluetooth devices are compatible. 4. Not all Windows Vista features are available for use on all Windows Vista Capable PCs. All Windows Vista Capable PCs will run the core experiences of Windows Vista, such as innovations in organizing and finding information, security, and reliability. Some features available in premium editions of Windows Vista -- like the new Windows Aero™ user interface -- require advanced or additional hardware. Check www.windowsvista.com/getready for details. 5. Measured at the narrowest point. 6. Actual battery life may vary based on product settings, battery usage patterns and environmental conditions. 7. Weights and measurements are approximate and may vary. 8. DVD media/formats are not universally compatible. 9. Requires 802.11b or 802.11g compatible access point. Some functionality may require Internet services, which may require a fee. 10. Subscription with Sprint® Mobile Broadband high-speed EV-DO service required. See www.sony.com/sprint for complete offer details, price plans, service terms and conditions, and coverage map. call 1-877-275-VAIO (8246) for service activation. 11. GB means one billion bytes when referring to hard drive capacity. Accessible capacity may vary. 12. Subscription with Cingular Wireless required. See www.sony.com/cingular for complete details, price plans, service terms and conditions, and coverage map. Call 1.888.739.VAIO (8246) for service activation.
